Dear Sir / Madam

Thanking you for 81 stationery packs to our pupils and also for the 15 teachers packs.

This serves as a gesture of appreciation to the excellent donations you made to our school.

Pupils, staff, parents and the entire education system accommodated your donation. It came at the right time when pupils were preparing end of year tests just mid-November. I also have solid faith that this relationship ~~is~~ will last for ever.

Finally, let me suggest that your 2²⁰¹² February meeting will treasure your Ruware pupils.

Yours Faithfully

Isaac Tizireni (Head)
