Dear Sir

Re: Donations to Zvidosvevanhu Primary School

Our Organisation funds various wildlife programs in the Chiredzi River Conservancy. Most of the Trustees of the Chiredzi River Black Rhino Charitable Trust (CRBRCT) are regular clients of Buffalo Range Safaris and have had the privilege of hunting in the Conservancy on a number of occasions.

Barry Style mentioned that his Company has carried out renovations to your school using money generated from tourist activities in the Chiredzi River Conservancy. Most of the hunters who visited the Conservancy this year are donors of the Trust and some had the opportunity to witness the developments to the school. On their suggestion, we too have decided to contribute towards the enhancement of education for your pupils.

On behalf of the Trustees of the CRBRCT I have pleasure in donating the following items:

**1. 24 stationery packs** for each Grade 6 pupil comprising:

- 1 x Notebook
- 1 x Ruler
- 1 x Pencil sharpener
- 2 x Pencils
- 3 x Pens (blue, black & red)
- 1 x Eraser
- 1 x Box of pencil crayons
- 1 x Scissors
- 1 x Toothbrush & toothpaste

**2. 9 stationery packs** for each Grade 7 pupil comprising:

- 1 x Notebook
- 2 x Pencils with eraser tips
- 4 x Pens (blue & black)

**3. Teachers' pack comprising:**

- 1 x White dry-erase board
- 1 x Pack white board markers, eraser & cleaner
- 1 x Box of 100 chalk sticks
- 1 x Stapler
- 1 x Staple remover
- 1 x Box of 5000 staples
- 3 x Calculators
- 8 x Notebooks
- 18 x Pens (blue, black & red)
- 12 x Pencils with eraser tips
- 4 x Erasers
- 1 x Leather writing case
- 4 x Glue sticks
- 1 x Cellotape
- 2 x Highlighters
- 1 x Star stamp pen
- 1 x Packet of rubber bands
- 1 x Pencil sharpener

The above items are being donated in appreciation of your community's support and assistance with the wildlife projects being carried out in the Chiredzi River Conservancy. We have asked Mr Richard Neel, a frequent visitor to the Conservancy from California, to hand out the stationery on our behalf.

Yours sincerely
